

AGREEMENT on CONSORTIUM for
ENHANCED COLLABORATIVE UNIVERSITIES on TECHNOLOGY and SCIENCE
(CONECUTS)

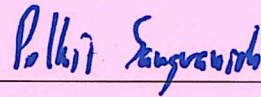

The aim of this Agreement is to define the framework and to confirm activities of the consortium. Participating institutions and organizations (hereinafter referred to as "the CONECUTS members") agree to promote academic activities and cooperative relationship on education and research among the CONECUTS members.

The CONECUTS members agree the following terms:

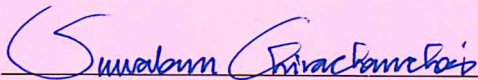

1. The CONECUTS members will cooperate to hold the International Symposium in Science and Technology.
2. The CONECUTS members will implement the following activities on the basis of reciprocity and mutual respect:
 - 1) Exchange of students (undergraduate and graduate students)
 - 2) Exchange of academic and administrative staff
 - 3) Exchange of academic information and materials
 - 4) Joint lectures, researches and symposia
 - 5) Other academic exchanges to which each CONECUTS member agrees
3. With regards to the implementation of the above-mentioned activities, the CONECUTS members will discuss and agree to the terms and implementation details, which would be provided by separate agreements developed individually among the CONECUTS members to articulate the specific intentions and collaborations, if necessary.
4. This Agreement shall become effective on the day when the representatives of each CONECUTS member affix their signatures to the Agreement and be in force for five years, subject from time to time to revision or modification by mutual consent. Thereafter, this Agreement shall be renewed after being reviewed and negotiated by CONECUTS members. This agreement may, at any time during its period of validity, be terminated by one of the CONECUTS member upon prior notice to the other in writing not later than six months before the terminating date.
5. This agreement is not intended to create any legally binding obligations nor contractual relationship among the CONECUTS members.
